

# Abdelrhman Samir

[Egypt] | [Alexandria, 21500] | [01273188179] | [abdelrhman.samir123@gmail.com]

## Objective

Trying to learn new things that I will use in my daily job or life other than problem solving.

If it's possible to meet senior engineers and talk to other people from different country of mine with different culture.

## Education

- Kafr El-Shiekh University, Kafr El-Shiekh, Egypt.
- Bachelor 's degree, Expected graduation date 1/6/2021.
- Computer Science field.
- GPA is around 3.5, and should be from the top 3 students in my department.

[July 15th] – [September 15th 2020]

[Internship] | [Information Technology Institution] | [Egypt]

Learned about the basic of the web development and how the server side works, also some open-source language like PHP and Laravel.

## Awards & Acknowledgements
